

**DECEMBER 2021 MINUTES RECLAMATION DISTRICT 1608 LEVEE
SUPERINTENDENT JOE BRYSON**

- 1. Levee patrol and inspection 00+thru180+. Cleaned and inspected pump area four times.**
- 2. We removed nine tree stumps on landslide of levee, last house on Five Mile Drive. Raked gravel, cleaned and repaired fences from his house to I-5.**
- 3. I called CalTrans and told them of the damage the homeless did to their fencing. They asked me to put a band aid on the fence that leads out to the freeway. To keep the animals off the freeway.**
- 4. We rented a backhoe to explore the French drain behind Seagull. We found the drain at fourteen feet. Gravel, matting, plastic pipe with holes on the bottom, more matting and gravel.**
- 5. Received calls homeless on levee, I-5 West, asked them to leave a man and women. One week later someone broke our gate I-5 West gate, repair.**
- 6. Ran taggers off Kelly gate. We cleaned up their art work three times this month. They smashed our fence on the way over.**
- 7. CalTrans was out looking at the fire I-5 East, propane explosion. We were cleaning the two foot area behind our fence. There is no homeless now.**
- 8. Have new homeowners move in on 3927 Fort Donaldson, John Gynt. Phone number 541-324-4924. Homeowners Association told them they could build a storage bin in their back yard. Spoke with Chris about a letter to the Homeowners Association. Will meet with them when they get back from vacation, where they can move the bin.**
- 9. We removed a tree stump from North East levee near Swenson Golf Course, it was rotten. Filled with dirt and stamped. Also another one near our storage bin.**
- 10. We now have four part time employees. Three young men 18,18, and 19. Joe Godnez will start repairing gates and fences**
