

## **APRIL 2022 MINUTES LEVEE SUPERINTENDENT JOE BRYSON 1608**

1. Levee and patrol and inspection 00+thru180+, clean and inspected pump area four times.
2. Opened gates for City of Stockton, PG&E, Clear Lakes, and a contractor from CalTrans.
3. Received calls from home owners, homeless walking on Five Mile Slough, I-5 to Kelly Drive. On our inspection we found the way they remove bolts. Hangers lift the gate and put in back..
4. We have three tents at I-5\Five Miles camp on Cal Trans lots.
5. Ran three taggers off, I-5 South Fourteen Mile, walk through water to get in and out.
6. Someone tried to break in Stone River storage area. We repaired and fortified.
7. My crew left a gate open, received a call. Solar lights came on, they ran down Five Mile levee.
8. Sprayed the levee except for Fourteen Mile to the Marina. Dr. Panzer loaned his sprayer. Thank You.
9. We must have new children on North West levee.They put gravel in gas cans that hold our brushes.
10. Ran off homeless three times under Morgan over pass.
11. Cleaned area from Swenson to Kelly, Five Mile Slough.
12. Trimmed oak tree Swenson\Kelly. We also sprayed. Crew called about sprayer. Told them I would be there around five. When I arrived three children in water trying to get around fence. Turned on siren. They swam to North levee, ran to Kelly Drive. They damaged our cart and connection. I repaired.
13. We are getting a lot of squirrels from golf course.
14. We blacktopped levee road from Marina past the dumpster. Now to I-5.
15. We bought a new trailer.
