

JANUARY 2023 MINUTES RECLAMATION DISTRICT 1608 JOE BRYSON

1. Levee patrol 00+to 180+. Lots of needles from redwood trees.
2. Cut fence on I-5 West Five Mile Slough, Kelly West 2x. Cut CalTrans East I I-5 2x. Cut fence at dumpster area. 60+ station.
3. Black topped levee road East. Finished gravel on North East and North West shoulders.
4. We raked 90% of the leaves before the rain.
5. Picked up lots of trash at Kelly gates.
6. Ordered and received hats, shirts, vests. Reclamation District 1608 on them.
7. Called CalTrans and reported the homeless, asked them to leave seven times.
8. The manager of Mr. Storage calls me every time he sees the homeless walking to the gates.
9. Received calls the gates not working at Fourteen Mile. Repaired
10. Received calls. Kids are walking on North East levee. Came through the last house on Five Mile.
11. Bought two tires for the truck.
12. Large redwood tree came down on Fourteen Mile. Another tree fell on the last house on Five Mile. Contacted Larry's Tree, he will give estimates to homeowners. Large and small trees have fallen on the levee. Will remove next week after the rains.
13. Removed five bush roots, nine tree stumps from the levee. Filled holes and compacted
14. Due to the rain and winds, we have done levee patrol for high and low tides
