Mr. Bentz commented he was not able to find the location where the last SJAFCA meeting took place and did not see any signage. Mr. Neudeck responded the SJAFCA meeting that took place on February 26th was not a public meeting and added that SJAFCA is in the process of moving to a new location.

2. **Approval of Minutes**. Minutes of the regular meeting of February 7, 2024. The Trustees reviewed the draft minutes. After further review, the February 7, 2024, minutes were approved as presented.

It was moved, seconded (D. Lofstrom/D. MacDonnell) and unanimously carried by the Board Trustees of Reclamation District 1608, that the minutes of the February 7, 2024, Regular Board Meeting, be approved as presented.

3. **Financial Report.** Review, discuss, and accept financial report. District Secretary Elvia Trujillo presented an oral and written report. After review,

4. Insurance. Delegate authority to approve Insurance Policy for 2024/2025 Insurance
Year. Mr. Pinasco reported the insurance coverage year is from April to April. The
District's application was submitted but response has not been received as of the date of
this meeting. He mentioned the California insurance market is presently very difficult

and there may not be many choices. Mr. Pinasco's recommendation is that Board delegate authority to the President to review and approve the insurance proposal prior to the next meeting in order to maintain coverage. After discussion,

It was moved, seconded (D. Lofstrom/D. MacDonnell) and unanimously carried by the Board of Trustees of Reclamation District 1608, to delegate authority to President Panzer to make the final decision to approve insurance coverage for the year April 1, 2024 to April 1, 2025.

At that meeting, SJAFCA Director Elias met with Colonel Caldwell from USACE. Mr. Neudeck reported the subject alignment is gaining traction and the discussion of the improved levee alignment was from a regional flood management perspective.

 - a. Prop 218 information.

Andy Pinasco reported this item continues to remain in the agenda in the event there needs to be discussion on this topic. Discussion on the timeline followed and Mr. Neudeck mentioned the timeline would be adjusted accordingly.

7. Superintendent Report. Request for directions and approvals.

Joe Bryson provided an oral and written report. Item 3 of the Superintendent's Report was discussed and Mr. Neudeck said Mr. Bryson and his team are not doing the application of spraying the herbicides since a qualified licensed applicator is required.
